

Map It Out - A comprehensive map of downtown Fredericksburg, Texas, featuring a grid of streets (North Milam to East Ufer, West Austin to East Schuvert) and a central focus on West Main Street East. The map is populated with numerous business icons and labels, including restaurants, shops, museums, and galleries. A central callout box for the National Museum of the Pacific War provides details on its location and hours. A 'Where to Go - What to Do' section offers a QR code and social media links for more information. The map also includes a 'Nightlife (Bars & Live Music)' section with a list of venues and their contact information, and an 'Antiques & Art Galleries' section with a list of galleries and their details. The map is surrounded by various advertisements for local businesses, including antique stores, jewelry shops, and restaurants.
